## PRESIDENTS REPORT

Season 2001 was again a very successful one with the major highlight being the magnificent win by the Under 11 's in the Grand Final. Although all teams were a credit to this club and the manner in which games were played was first class and everyone can be proud of their performances .

To our hard workers around the club who continue to shine, once again a fantastic job well done. To all those that support the club financially we say a special thank you and you must realize that you are playing a major role in our success at the moment.

As season 2002 approaches we look forward to continued success and we hope everyone will be back again next year.

## TACKERS COACHES REPORT

The 2001 season for the tackers team and all those who were involved, proved to be once again a successful and enjoyable one with plenty of victories throughout the year.

It really shows that if you are prepared to learn about this game when you are young , and you have the dedication and determination the sky could be the limit, and these boys have shown to us these qualities that are needed.

The main area that was plain for us to see as coaches, was the improvement in the skill department shown throughout the year with all players taking giant steps, and we feel that now each player can look forward to their ;coming seasons with supreme confidence. ‘

As this is our first year as head coaches Callum and myself have found it to be a very enjoyable and worth while experience and we feel that we have learnt a lot along the way and hopefully we will continue to put it too good use in the future.

We wish to thank the players for a fantastic season and a special thank you to Hayley , Colin , Essy (John), Jeff and Matty Andrews for their assistance in the running of the team and to all the parents and supporters for the part they played .

Kris and Callum.

P.S Also a special thank you to my MUM for driving me to and from games each week .  
Thanks Mum. KRISTOPHER BARDON

## UNDER 11 COACHES REPORT

"What a memorable season 2001 was". I have no doubt that I will remember this season for the rest of my life and I'm sure that a lot of other people will to. I would like to thank all the gang who represented the side this year everyone gave 100% all season whether it was training or during games. We got along like good mates so that made the season very enjoyable. We played as a team all year round and that payed off for us going into the finals with a lot of self confidence.

Last season we had a disappointing finish after a great year but the experience of those defeats in the finals made us a tougher and more determined unit for this season when the finals came around.

Consistency in sport is a great quality and the boys over 2 years have shown enormous concentration, dedication and endeavour and with these characteristics at the forefront it did not surprise me that we won the flag.

Once again congratulations to the players for a very good job well done, you have deserved this win and now you must look forward to season 2002 with a very positive attitude, lets try for "Back to Back".

I would also like to thank everyone for the year especially the support from Andrew Wilson (Povhy), Ashley Bardon, James O'Dea, Alex Todd, an Hayley during the finals, and to all those who helped in any way, I'm sure it was as exiting and rewarding for all of you as it was for me.

To the rest of the parents thank you for letting me play a small part in your childs lives and hopefully it was as enjoyable for them as it was for me. I hope that the kids had a great season and will be back next year to continue on in 2002.

Benn Haintz

## UNDER 12 COACHES REPORT SEASON 2001

Firstly I would like to congratulate all Teams and Club administrators on a great season, especially the Under 11-'s in winning the Grand Final. 8 fantastic effort by all involved .

Let me start by saying that the 2001 season was the most fulfilling one I have experienced at the club both as a coach and player . Whilst some will remember the way our season came to an end, I would like everyone to focus on the positive aspects of this year.

We began our season a little slower than we would have liked but like fine wine we matured and began improving in all aspects of our game . With this continuing improvement, came the wins on the board. We went from a middle of the road team to a group of players, coaches, parents that as a group were now looking to be apart of something bigger . At this point we adopted the philosophy that anything was possible and in order to achieve the best possible result it needed to be an all round team effort.

This is where the 25 kids really came into their own, and began shaping their own futures both on and off the field . As coach, I was able to see changes in all players ranging from their football skills to their overall attitudes and most importantly the growth in friendship throughout the team. Because of all these factors we were able to string together 9 wins in the last 10 games and gave us the opportunity to play finals football. We all know how it ended and whilst finals football is fantastic to be involved in, the most important thing to take away from this season is the fact that the everyone involved (boys, parents, coaches and administrators) began the season as a group of individuals , and ended as a group of friends.

I would like to thank all parents and friends that were involved throughout the year for your support and well wishes but most of all I would like to thank the team for giving me an experience I will never forget. I hope to see all your faces back there to do it all again in 2002. I'll be looking forward to it. ... ..

## UNDER 14 COACHES REPORT

Pre-season saw the under 14's concentrating on skill levels as this seem to be one of the area's we fell short last year. Enthusiasm was high and the boys responded well to training and looked forward to the first game. By mid season it was clear that we would struggle against the top sides, we lacked the ability to match them for size and physical strength but when it came to heart we were never far off the pace. Through difficult and sometimes frustrating times, the boys again proved their worth by always giving 100% especially many off the smaller guy's who were continually asked to do the hard things even though week in week out their opponents would generally be twice their size. On occasions when we were matched with teams more our own size the boys were able to display their true skills and enjoyed the wins immensely. A number of opposition coaches throughout the year commented on just how guts our kids were in the way they went about their footy. Thanks to all the parents who continue to support their boys and the club and good luck to all the winners of awards tonight. To all the players thank you for your support, I have the utmost pride and respect for your achievements as a team and as individuals.

Good luck and GO TIGERS!!

## **SECRETARY'S REPORT**

Season 2001 gave 93 children the chance to play football and a further 40 kids in the AUSKICK program.

On field performances once again were good and the TACKERS team had a very consistent year , and with the experience gained and an influx of newcomers next year a bright future can be looked upon for many of these players . I must say well done to Kris, Callum and Hayley for their efforts.

The Under 11 team after a disappointing end to last year , really showed what commitment and hard work can achieve. To top the ladder 2 years in a row is a great achievement but this season unlike last went on with the job to win a hard fought PREMIERSHIP . Well done to ALL involved.

The Under 12 team after starting in the top division came down after 4 games and showed terrific endeavour to prove one of the better teams in their division . Unfortunately the disappointing end to the season will in some way work in our favour and we will come back bigger and better next year.

The Under 14 team won only 4 games but the commitment from all the players was great. Unfortunately for us 8 of our team are U/13 age players and the step up against quality opposition proved to much. They should be proud of their efforts .

Congratulations to ALL players and supporters for season 2001. To all our helpers including Coaches , Assistants, Umpires, (Goal & Boundary), Time Keepers , Interchange Stewards and Team Managers we say a large thank you for your support.

To our CANTEEN staff led by Milton, Dimi and Sue a special thank you for your great work in raising funds through your canteen .

One area where I would like to really thank is our generous bunch of SPONSORS and DONORS who without your magnificent support this club would not be where it is today

We now look forward to season 2002.

Regards
