PRESIDENTS REPORT

Season 2002 was again a very successful one with the major highlight being the finals appearances of our Under 10, Under 11 & Under 13 teams. Although all teams were a credit to this club, congratulations to the under 10 team on making the grand final. To all the players the manner in which games were played was first class and every player should be proud of his/her season. To the parents for supporting your 1kids we say thank you for the part you are playing in your child's sporting careers. We hope you will continue to do so in the future.

For all our hard workers around the club who continue to shine, once again we say thanks for a job well done. To all those that support the club financially we say a special thank for your help in these difficult times with the finance to run this club, and you must realise that the role that you are playing is the key to our success at the moment, and the kids appreciate it immensely.

As season 2003 approaches we look forward to continued success and we hope everyone will be back again next year.

RICHMOND JUNIOR FOOTBALL CLUB

MAJOR AWARDS 2002

The Richmond Junior Football Club would like to inform the members of who our major awards are named after:

FRANK MCMAHON (Nth Richmond Club)

Frank McMahon was a founding member of the North Richmond Social Club who was an enormous worker for charities & kids in the local area. The Nth Richmond Club have been magnificent supporters of ours over many years financially, and with this help that has been given to us, has enabled us to be successful off the field as well as on. The Frank McMahon perpetual trophy was first presented in 1991.

WINNER 2002 - ONUR KIRIM

FEISELMIR

Feisel Mir played football with R.J.F.C during the late 80's and early 90's and unfortunately passed away at 16 years of age in 1993. A courageous and determined player who displayed great leadership both on and off the field and the club decided to honour his name with this award which is won by a player that shows all these qualities.

WINNER 2002 - JIMMY TRAN

JOSHUA WISE

This award is honouring a young 6 year old who had a dream of one day playing competitive football for a team. For 3 years of his six years he suffered with Leukemia and finally lost the battle. A cheeky, courageous, determined youngster who was an inspiration for all that was in the hospital with him, which included a member of our club. This award is presented to the type of player that has the characteristics of Josh, and we hope by this award it will keep his memory alive.

WINNER 2002-TIM DUNN

JIM GURTUBY

Jim was a trainer through the 80's and 90's for R.J.F.C giving up his time and efforts for the club. Jim loved to give votes for the games played in all grades and all games that he witnessed. It would be nothing to be arguing who were the best players for hours after the games had finished. Jim passed away in 1997 and the club honoured Jim's memory in naming the player with the most UMPIRE votes in his honour.

WINNER 2002 - JAMES TAMOURIDIS. (2)

PHILBALLIS

Phil Ballis coaching record at R.J.F.C. is second to none, he has been involved with the club for close to 20 years, after commencing coaching in the 80's. He has had stints at different times with enormous success on field but also in the development of many players. The club in 2000 decided to name its OUTSTANDING SERVICE awards in his honour.

WINNERS 2002 - WAYNE ANDREWS & ADRIAN PATTINSON.

TACKERS COACHES REPORT

The 2002 season for the tackers team and all those who were involved, proved to be once again very enjoyable.

The Richmond Junior Football Club rates the tackers competition very highly as it's development potential is fantastic not only for the players but also the club. This seasons team whilst very young never gave up trying in any game and were sure that there are some bright futures ahead for these players in future years. You only have to look back a couple of seasons to see the tackers of yesteryear are now playing in the Under 10's & 11's who incidentally both made the finals.

It really shows that if you are prepared to learn about this game when you are young, and you have the dedication and determination the sky could be the limit, and these boys & girls have shown to us these qualities that are needed .

The main area that was plain for us to see as coaches, was the improvement in the skill department shown throughout the year with all players taking giant steps, and we feel that now each player can look forward to their coming seasons with supreme confidence.

We wish to thank the players for a fantastic season, and a special thank you to those that assisted in the running of the team , and to all the parents and supporters for the part they are playing in their child's sporting career.

We hope we will see everyone return in 2003.

Les Jeff & Colin

UNDER 10 COACHES REPORT

This year has been a fantastic season for an involved. The boys have proven themselves to be great footballers, sportsmen and mates. The year has shown us many great football moments; snap goals from the boundary, sky scrapping marks, .25 metre dashes to score and not to mention amazing tackles, over the past few months the boys have developed not only their skills but their character.

We have a great band of supporters, who were continually entertained by exceptional game skills and unrehearsed events; team mates being carried off the ground in a lopsided manner and a boundary umpire sliding to his muddy end, not once but twice mid game. Much to say his white T-Shirt didn't remain that way for long, black seemed to be the colour of choice.

This year the team has done unbelievably well for their first year of competitive footy, they have achieved the ultimate goal making the grand final, with a season of minimal losses. The boys have made us all extremely proud, perceiving the true meaning of footy despite these losses. They were ultimate sportsmen, with hand shakes and comments such as 'let's clap them off' they came to know that regardless of whether you win or lose , it's how well you play that counts. They were true team men throughout the season supporting and encouraging each other.

Overall it has been a year of footy, fun friendship and learning. They have played in the true spirit of Richmond, They were **STRONG, BOLD ,& DETERMINED**, They fought to the end, they were never beaten to until the fat lady had sung.

If this years any indication, 2003 will be a year of great things, one which we look forward to with anticipation. Thanks boys for an outstanding year of dedication determination and courage .

UNDER 11 COACHES REPORT

The first game of the season we entered the arena a rabble of infantile inexperienced warriors , undermanned and as individuals. We came from the ground that day dejected, disappointed and uncertain of what our futures held .

The fourteen young combatants that took the field that day, some with the flu, some playing their first game of football busted their guts only loosing by a point even though they were playing for nothing.

From that fateful day, we witnessed a transformation of incredible magnitude . This young band of no hopers discovered themselves, added a few new recruits and played some of the most outstanding team oriented football.

They not only defeated the eventual premiers (their only defeat of the season) but gave a team from 2 divisions higher, a good old Richmond JFC lesson in team football defeating them by 6 goals and sending them home to ponder their futures.

We ended the season in third position and were unfortunately piped from the premiership race in a spirited affair by a team utilizing what I believed to be very unethical tactics.

I was very proud of every single individual that took the field this season and I am sure all players gave everything they had. I am sure every body will take a lot from both the highs and lows of what I felt were a very successful season. I wish to thank all parents, helpers and supporters for their encouragement and support and I look forward to an even more successful 2003. (If they will have me)

UNDER 12 COACHES REPORT

After last years great season, this year going to the top division was never going to be easy. We started early in the year with some very good form although not winning, by being very competitive with good quality junior football teams. As the season went on although not many wins were had, I can honestly say that the commitment shown by all was fantastic and after having such a successful season last year, and now a difficult one this year the boys have learnt the highs and lows of the sport, and I believe that this has been a terrific learning experience for all. Except for a few games this year we were competitive in most and I see next season in the lower division we will once again be back on the winners list on many occasions .

Unfortunately due to work commitments I will not be able to coach next season and I personally would like to thank each and everyone that has played a part with the teams I have coached over the years, especially all the boys that played in these teams . I would like to wish all the players I have coached over the years all the best in their footballing futures, and hopefully one day someone will make it to the big time in the A.F.L.

To all those that assisted on game days and training sessions I say thank you for your support not only to myself but also the kids.

The last thing that I would like to say is that season 2001 (Last Year) was my most enjoyable year in sport, and by winning the premiership it is great to know that it can never be taken away regardless of where you finish in any other year.

Thank you to Richmond Junior Football Club for giving me the opportunity of being involved in junior sport, I've enjoyed every minute of the time spent at the club and one of the major things I can take away is the friends I have made whilst being involved . I would like to congratulate the club on its efforts this season, and am sure Richmond Junior Football Club will only get stronger and stronger in the future and I wish everyone the best

UNDER 13 COACHES REPORT

To quote one Eddie McGuire, 'What a big season it has been in football. Like seasons gone by, the 2002 under 13 teams season was one of trials and tribulations for all involved.

When the year began, I thought that this would be the year where all the hard work the boy's have put in over the last 2 years was about to pay off. Unlike some of my assumptions throughout the year, these were not wrong.

Over the first half of the season we had the expected ups and downs of a new season - we had players come and go, we had wins and we had losses. I began to see, that I was no longer coaching a group of 12 to 13 year old boys, I was coaching a group of young men. This group was maturing as people and also as footballers. Half way into the season, this maturity gave us the perfect launching pad to look at our year ahead and decide our fate.

This is when the boys really came into their own. The want for success was apparent and all indicators were showing this. The team then began their finals campaign. The intensity at training grew, as did the number of wins we put on the board. The team put on a six straight winning streak to confirm their spot in the 2002 finals.

This in itself is a fantastic effort and all involved should be very proud of their efforts. Our finals series began with a great win over Park Orchards. It took us two quarters to get things moving, but once we did there was nothing stopping us. Our final game for the year, whilst not as successful as one would like, could not have made me more proud with the way they stuck together and finished the season with their heads held high.

From a coaches point of view it was an example of guts, determination, hard work and most of all, a real sense of camaraderie.

I would like to congratulate the boys on great season, I for one thoroughly enjoyed the year.

Lastly, I would like to thank all the people that assisted the boys and me throughout the year

SECRETARY'S REPORT

Season 2002 gave 109 children the chance to play football and a further 67 kids in the AUSKICK program.

On field performances once again were good the TACKERS team who were very young and just learning the game showed enormous improvement throughout the season and can now look forward to better results in the future, and to all that helped with the team during the year a special thank you .

The Under 10 team in their first year of competitive footy outplayed all expectations by making the Grand Final and although defeated on the day showed terrific fighting spirit and the club is very proud of your performances. Congratulations to Jeff, Ashley, Hayley, Elice and all those who helped with the running of th&team . To all under 10 players congratulations on your successful season and let's go one better in 2003 .

The Under 11 team after a disappointing start to the year and really showed what commitment and hard work can achieve, by making the finals and although a shade disappointing in the end, next season will bring a lot better results for this team. Congratulations to Colin, Rhiannon , Steve, Alex and John and all those that helped throughout the year.

The Under 12 team had a disappointing season after last years premiership but found the top grade too difficult , the commitment shown was a credit to the players and their never say die attitude will make them a very good side next season in the division below. Well done to Benn, Callum and Tom and their helpers for the outstanding work not only this season but in the past 3 years. And whilst on the subject of the under 12's Benn won't be coaching next year due to work commitments and we say a special thanks on behalf of all for your terrific work over the last few years .

The Under 13 team after a slow start had a magnificent finish to the season by making the preliminary final. Outstanding improvement by all players have seen this team develop not only individually but as a team, and I'm sure as these players go on in their careers several are outstanding prospects for the future . Thanks to Ben, Brooksy, Dominic, Danny and all those that helped with the running of the Under 13's and I'm sure next season will be a big one for this team .

Congratulations to ALL players and supporters for season 2002 . To all our helpers including Coaches, Assistants , Umpires, (Goal & Boundary) Time Keepers , Interchange Stewards and Team Managers we say a large thank you for your support. To our CANTEEN staff led by Milton, Dimi and Sue a special thank you for your great work in raising funds through your canteen .

One area where I would like to really thank is our generous bunch of SPONSORS and DONORS who without your magnificent support this club would not be where it is today. A special thank you to CHRIS MURPHY from HOCKING STUART REAL ESTATE our major sponsor for 2002 , and it is good news that in season 2003 HOCKING STUART will again be our major sponsor. We now look forward to season 2003 .
