

ACHIEVEMENTS FOR SEASON 1990

Under Sixteens: This team had a shaky year but continued to play every game out with the determination that is expected by a Richmond side. Several boys represented the Under fifteen and sixteens Interleague team, and played extremely well. Many of the 1990 team are leaving the Juniors this year to play Senior football. The club wish these boys well and ask them to remember their roots - RICHMOND JUNIORS.

Secretarys Report: R.J.F.C. gave 107 children the opportunity to play football in season 1990, and once again our club achieved good results. I would like to thank every body who assisted in our club this year. Under difficult conditions which were created by the League and several other clubs, our boys were still capable of reflecting the spirit of the club. This spirit will ensure the continued success in the coming years. I am retiring this year after five years on the committee, but do so with the knowledge that the club will continue to grow and be a major force in any league they choose to play in.

ACHIEVEMENTS FOR 1990 SEASONS:

Under Tens: This team won seven out of ten home and away games and also competed in two rounds in the Lightning Premiership. Mark and his assistants achieved good results in their first year of coaching and should feel proud.

Under Twelves: The under twelves finished second after the home and away games, and made the Grand Final against Kew which under such a junior first year coach is a great achievement. Seven boys also represented Under Twelves Interleague Team. This team made it through to the first final undefeated. WELL DONE BOYS.

Under Fourteens: Second year coach Ray once again blended 30 boys into a successful side. The team finished in second place after the home and away games, unfortunately the boys lost the Preliminary Final against East Camberwell but to finish third overall was a great tribute to their coach. A third of these boys will go to the under sixteens next season and will be expected to lead the club in a responsible manner, a task we are sure they are capable of.

Under Fourteens:

Coach: Raymond Jumeau
Ass. Coach: Peter Hingston
Team Manager: Jeff Canny

Report: I believe the boys improved overall as a team and with more discipline and desire the team can only improve some of the players have to decide whether they have the incentive to go on and play senior football. Some very talented footballers blended in with more determined and discipline players, both of which make a good side. Peter, Jeff and myself have had a great time and would like to thank everyone who assisted with the under 14s during the 1990 season. - Ray Jumeau.

Under Sixteens:

Coach: Robert Sutherland
Les Quarrell
Team Manager: Graham Mott

Report: Results never went in our favour, although we were competitive in most games, with good commitment shown there were signs for a positive future. With as many as half this years under sixteens being available again next season and the promising group of under fourteens stepping up a grade the club can look forward to once again becoming a power force at under sixteen level. COACHES REPORT

Under Tens:

Coach: Mark Mott
Ass. Coach: Jason Sanders
Team Manager: Frank Bayliss

Report: The teams willingness to listen and learn reflected in their performance. There were many highlights throughout the season giving the parents and supporters plenty to cheer about. I wish everybody in the team all the best in the future as footballers and thank the under Tens for making my first year as coach a pleasure - Mark Mott.

Under Twelves:

Coach: Cooper Hayes
Ass. Coach: Paul Maher Jnr.
Team Manager: Sean McConville

Report: The under 12s fielded 26 boys this year and even though at times we had some heart stopping results we proved to be the most successful side within our club. This year was my first year as a coach and I feel the boys and myself have both learnt many valuable lessons. I know these 26 boys have many years ahead of them and I am proud I have contributed in some way to their football education. I would like to thank the Under 12s for making my first year as coach an enjoyable experience and I wish them success in the future. WELL DONE BOYS - Cooper Hayes.
