Secretarys Report

This year our club registered 98 boys and yet again we got three teams into the finals. Financially our club was hit by the recession we lost a major sponsor and unfortunately less than 50 boys paid their registrations fees. If our club is to survive we must receive more help not only from Local Business but also from the parents of our boys.

One of our major problems this year was the League deciding that Richmond could not play in their own jumpers when we meet Balwyn This proved a great disadvantage to our players and we have protested strongly to the league about this problem and I am sure that we have not heard the last of this. Finally parents and friends i am sure you are aware of the cost involve in running this club. Not only are dollars involve but also time. WE MUST HAVE MORE ASSISTANCE, for the 1992 season. Too many people are quick to critise and complain but when we seek assistance the same old faces come forward each time, some of these faces are disappearing this year and if you want this club to be aroung next year you must help. There are plaenty of ways that you can assist- Canteen, coaching, fund raising, bus driving administration and many more. We the committee wish the players and their families well for the remainder of the year and sadly say goodbye to the boys who are leaving us.

ROUND UP FOR THE 1991 SEASON

Under Tens

This team was fortunate to have two very experienced coaches this year P. Bayliss & K Morgan. Even though the players were disappointed with their results our club thought they had a successful year. This season was a valuable learning experience both on and off the field and if this side can retain the knowledge they acquire from both of the coaches we are sure they will be a major force in the future.

WELL DONE UNDER TENS

Under Twelves

Our Club was fortunate to acquire the talent and knowledge of Mr. J Rudland. As expected the twelves ended on top of the ladder after the home and away games, then proceeded to win their first final and went on and play in the Grand Final. We all know the results of that and even though the boys lost on the day they gain many friends for their never die attitude

WELL DONE BOYS & COACH

ROUND UP FOR THE 1991 SEASON

Under Fourteens

This team lost three players to injury at the start of the season and I player at the end of the season (thanks to the wisdom of the league). Despite these obstacles Ray managed to blend 25 boys into a balanced side finishing 2nd on the ladder at the end of the home and away games. The boys lost the first final to East Camberwell and played Balwyn in the Preliminary Final and had a bad loss, we have no excuses but it did not help playing in different jumpers.

Well Done Boys

Under Sixteens

Chuck returned to our club this year and as a coach he banded together a group of boys who had had a disruptive year before into a well disciplined side. This side finished third after the home and away games and went on to win their first final and lost their second final in a very close game that could have gone either way. Their results are a credit to the boys who have trained hard to mould their side into a good team

WELL DONE BOYS
