

## SECRETARYS REPORT.

The Club has had a most successful season on and off the field. At the end of last year we experienced serious problems with the H.D.J.F.L, mainly caused by the lack of discipline by our players and supporters. The new Committee initiated a new approach by trying to improve relations with the Executive and establishing our own Disciplinary Committee. This proved most successful and we have been congratulated by the H.D.J.F.L. on our behaviour this year. Well done to the players and the supporters.

Once again, we were able to survive through the generous donations of our sponsors, with particular mention to the North Richmond Club, Merv Dwyer, The Richmond Football Club for the donation of a set of jumpers and warm up jackets and the financial and practical help of the Richmond City Council.

We registered 106 players this year, although payment of subscription improved, it needs more attention. We cannot rely on generous people all the time. Many thanks to all who help and enjoyed our Premiership year.

Thank you to the Committee and to Kay for running the canteen to Suanne Rouse for the team sheets, thanks to Anne & Brian Robinson.

Congratulations to not only the main trophy winners tonight, but to all the players who try so hard for their teams.

You are invited to attend our Annual General Meeting -  
29th October, 1992, 7.30 p.m. North Richmond Club.

## PRESENTATION NIGHT 1992

## Congratulations Under 14's Premiers and Champions

## ROUND UP FOR 1992 SEASON.

### UNDER 10'S.

Laurie Judd returned to the club and proved most successful in teaching the young boys and girls football skills and about being part of a team. By the end of the season the team proved to be most competitive, not that winning is the top priority at this stage they learned a love for the game. There are many promising players for the future.

Congratulations to Laurie and the Team.

### UNDER 12'S

Gavin Kennedy consented to coach our team after a lack of applications and knowledge. There was a shortage of players in this age group. Gavin must be applauded for this and proved to be excellent in his endeavours. Although under-manned in most games, the team had good success and all players improved immensely during the season. We must all try to arrest the decline in numbers in this age group for the future.

Congratulations to Gavin and the Team.

### UNDER 14'S.

Jeff Rudland followed on with his success of last year by coaching the Premier and Champion Team. The only undefeated Premiers in the H.D.J.F.L. competition. The players, Jeff and his helpers were relentless in the quest for glory. They experienced unsporting pressure during the season from the team they defeated in the Grand Final and the players responded with great self-discipline. The team is full of highly promising footballers, many of whom are sure to go onto bigger things in football. They will never forget their success of this year.

Congratulations to Jeff and the Players.

### UNDER 16'S

Peter Hingston coached the team to finish in fourth position, their position on the ladder all the season. They troubled all the other teams, but suffered inaccurate kicking for goal & lapses of concentration. The boys must be congratulated for their self discipline and behaviour. Many of the players improved during the season and we hope they learned the need to play team football.

Best of Luck to the older players leaving our Club, and to the boys returning next year.
