SECRETARYS' REPORT.

Congratulations to the Committee and our four teams for their efforts in what proved to be a difficult year.

However, the initial difficulty of having to re-locate our games to Loughnan Oval proved successful as did the forming of the second Under 10 team, due to the large number of boys wishing to play. The benefit of all the boys being able to play was obvious towards the end of the season, and will continue into the future.

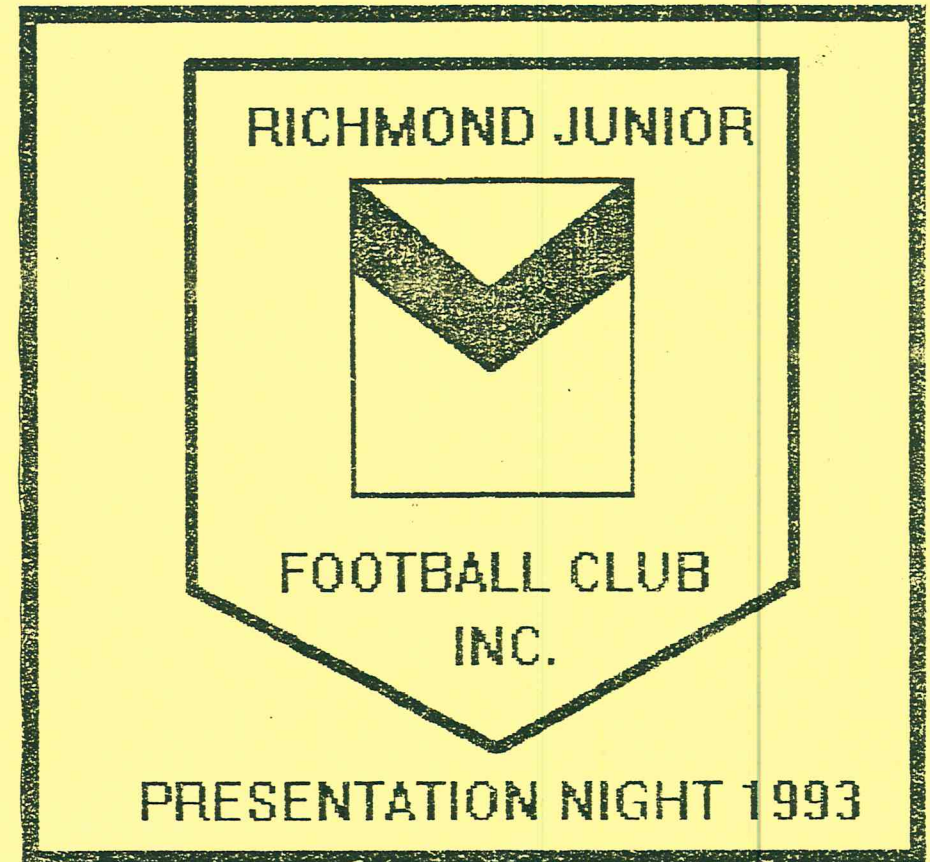

The Under 16 experiment of playing in a combined competition between H.D.J.F.L. and Waverley League proved to have numerous difficulties, however, the boys benefited by the harder competition, which will help them in the future.

Once again, we were able to survive through the generous donations of our sponsors, with particular thanks to the North Richmond Club, Rick Aitken of the Burnley Golf Course, Leo Mc Donald and Merv Dwyer.

Congratulations to not only the main Trophy winners, but also to all the players who contributed so much to their teams during the year.

I wish the club every success in the future.

Peter Hingston.

SPECIAL THANKS:

Richmond City Council for donation of first aid kits.
Mr. Geoff Boyce, R.C.C. for his help and support and for the use of the Loughan Oval for our games.
Mr. Les Quarrell for his efforts as skills coach and Vic Kick.
Mr. Joe McNamara for his time and effort as advocate.
Lisa Kennedy for the great job running the canteen.
Jarrod Hingston for producing the team sheets each week.
Richmond Community Health Centre for use of bus.

UNDER 14's.

Jeff Rudland coached the team, which eventually finished third. Unfortunately, they had a slump at the end of the season, after being undefeated for most of the year. There are many promising players in the team who will continue to improve. The players and officials should be congratulated for their performance and behaviour during the season.

UNDER 16's.

Peter Hingston coached the team who performed credibly in most games against older and bigger players. The boys will benefit from the experience next year and hopefully have learnt the need for team work.
Best of luck to the boys leaving the Club and to the team next year.

ROUND UP FOR 1993.

UNDER 10's BLACK.

Nester Nezeritis joined our Club this year and enthusiastically coached the boys, concentrating on teaching and improving their skills. Due to Nesters' work and Les Quarrell running a Vic Kick Programme, we had up to 40 players at training.

The team proved to be close to the best in the competition, displaying fine skills and team work. There are many promising footballers and the Club looks forward to their continued success.

Congratulations to Nester and the Team.

UNDER 10's GOLD.

Gavin Kennedy coached the team when on short notice it was decided to field a second under 10 team.

Many of the players experienced their first games of football and improved immensely during the year. Due to them playing and the specialised coaching including Vic Kick, their skills are in good shape for the future.

Congratulations to Gavin and the team.

IN MEMORIAM

FISEL MIR - 17.8.76 TO 7.2.93

The Club was deeply saddened at the death of Fisel Mir, who was a most popular member of our Under 16's last year. Fisel was a particularly fine boy, who showed great leadership courage and determination. The Club will always remember him with a Perpetual Trophy in his honour.
