SECRETARY'S REPORT

R.J.F.C gave 93 kids the chance to play football in the 1994 season and although results didn't go in our favour hopefully all players, parents and supporters had an enjoyable and rewarding season. Once again we were able to survive through the generous donations of our sponsors and to them we are very grateful. To ALL the helpers no matter how big or small thank you for the part you have played and the support you have given.

To the committee thanks for your support during my 1st year as secretary and hopefully 1995 will be bigger + better. We now look forward to next season. 'See You then'
Les Quarrell

IN MEMORIAM GAVIN KENNEDY 18-11-1960 // 10-4-1994

THE CLUB WAS SADDENED BY THE PASSING OF ITS POPULAR COACH GAVIN KENNEDY TRAGICALLY TAKEN AT SUCH A YOUNG AGE. GAVIN WAS NOT ONLY A GOOD COACH TO THE BOYS BUT ALSO A GREAT FRIEND TO MANY.

R.J.F.C WILL ALWAYS REMEMBER GAVIN WITH THE U/10 B + F PERPETUAL TROPHY IN HIS HONOUR AND IF EVERY WINNER OF THIS AWARD IN YEARS TO COME LIVES UP TO THE STANDARDS SET BY GAVIN THEN THEY WILL DEVELOP INTO 'CHAMPIONS'

PRESIDENTS REPORT

Firstly to our committee for a great season congratulations on a job well done. Also to all the people that have helped out during the season thank you for your support of the kids

To the players at all age levels congratulations on the spirit in which you went about your football whether in victory or defeat you showed that Richmond sides are always hard to beat.

Congratulations to all the COACHES and their managers and assistants for a very good year.

To our wonderful group of SPONSORS for the part you are playing in our success at the moment thank you very much. 'See Ya Next Year'

Terry

U/10 COACHES REPORT

The Under 10's had a lot of first gamers this season, which showed up during the early games but by the end of the season with a few games behind them they became a much more competitive team. I hope everyone who played this year will be back next season as I believe they have the grounding to go further again on what they achieved this season.

Thank you to all the parents who helped out during the year

I hope all the team enjoyed playing as much as I enjoyed coaching them all.

U/11 COACHES REPORT

Season 1994 saw the U/11 side finish in 3rd position on the ladder winning 8 games and losing 3, also a 3rd place in the lightning premiership. With only 9 players from last years U/10 team and a new batch of U/11 players the team took a little time to put it together but when they did, a very good brand of football was played and hopefully something was learn't throughout this season.

Thanks to ALL the boys for the season, also parents + supporters and a special thanks to my back up staff for a great job well done

U/16 COACHES REPORT

The 1994 season saw the U/16 team move to the Moorabbin Saints Junior Football League from the Waverley league. Lack of depth in numbers caused most problems but the commitment for the RJFC was 1st class and no side got an easy game against us despite what the scoreboard said. Thanks to all the players who stuck it out to the end of the season and to all the players that are leaving us good luck in your footballing futures. To Ray, Jim, Milton, Jim Gurtuby and all the others who played a part in the U/16^t this year congratulations and thank you very much.

U/14 COACHES REPORT

Season 1994 began in difficult
circumstances with numbers being
down. However some boys who are
eligible to play U/12 footy took the
giant step to play in the U/14's. To
them congratulations and no doubts
we will see the benefit of playing
out of age in the coming seasons.

Full credit to all the players
that played U/14's this year, despite
ordinary match form training numbers
were sensational and with the willing-
ness to learn we should see plenty of
improvement in the coming seasons.

Thank you to ALL that
assisted with the U/14 team and I
hope they enjoyed the season PAUL
