PRESIDENTS REPORT

The Richmond Junior Football Club has had very good support from over the fence during the last few seasons, but none better than this year. Thanks to all those who sponsored or donated to the club, it does make it easier to run the club effectively.

To all the kids thanks for your efforts throughout the season and we hope you have enjoyed it immensely. Well done to the coaches, assistants, managers and to all those who helped out on match days.

To our committee, and those who helped out in any other way congratulations and thank you for another successful season. See you next year.

TERRY SHAW

UNDER 10 COACHES REPORT

The Under 10 team this year saw a new batch of youngsters going through our system, and after an ordinary start the team improved enormously. Although not winning many games their commitment, spirit and determination was terrific. To the kids thanks for your efforts, and I hope you enjoyed the season and will now go on and play many more games of football. I would personally like to thank those parents who supported the team throughout the year and a special thank you to those who helped out in an official capacity. Also to Les, Hayley and Laurie for their time and efforts in the running of the team.

UNDER 10 BEST & FAIREST

Asha's career at Richmond Junior Football Club commenced in 1993 as a 7yo in the under 10 team. Amazingly he has now played 70 games. His courage and outstanding tackling ability compliment his game, and with a good skill level he has a near perfect game for one so young. This season he has been the outstanding player in the under 10's and is a worthy winner of this years award

AUSKICK REPORT

The newly named AUSKICK this season once again extended our expectations, from only 13 two seasons ago and this year to have built up to 52 kids, is heading the club in the right direction for the future. To have such a young squad to work with the future does look promising and the improvement shown throughout the year was very good.

To the kids we hope that you enjoyed the season and have learnt a little along the way. To all parents for their support of this program we thank you, and hope that it has been of some benefit to your child whether in a football sense or just in everyday growing up.

A special thank you to all those who at various times helped out with AUSKICK. This season saw a number of the Auskick squad graduate into our Under 10 team and learn about playing football in the competitive spirit and the club hopes that next season more will follow through or at least the younger ones will continue on in AUSKICK.

We now look forward to season 1997 and hoping you will once again be part of the Richmond Junior Football Club.

UNDER 11 COACHES REPORT

The under 11's who last year won the lightning premiership almost defied all the odds to win the flag this year. Although the loss in the Grand Final was devastating for the players, I have no doubt they won the hearts of all. This experience will benefit the boys in their future development. Overall improvement of all players throughout the year was most noticable and this will continue if the players apply themselves fully at training, which failed to occur at times throughout the year. I hope all players & parents enjoyed the experience in 1996 and will continue with the club in 1997. It is imperative to maximize team lists to ensure the club survives in the future. Thank you also to those that helped out with the Under 11 team this season.

UNDER 11 BEST & FAIREST

Only Tom's second season of competitive football, his overall improvement over the 2 seasons has been noticeable, and he is developing into a very good player at his level. His ability to work hard in any situation is his most valuable asset. He is a team orientated player who brings teammates into the game and he has had a fantastic season and is deserving of this award.

UNDER 13 COACHES REPORT

1996 proved to be a difficult season for the under 13 team. Whilst outclassed in a number of games the commitment shown was very good and the team never gave up trying all throughout the season. The period in which we won a few games we played some very good football, but could not put it together often enough to be competitive with the better teams in the competition. There were signs of improvement in most players and I believe by having coached this team for two seasons now, it is the time to work very hard on your game if you want to develop into better players. Thank you to all involved with the under 13's this year especially Frank, John, Jim and others that helped out in an official role during season 1996 and I wish all the players the best in their footballing futures.

UNDER 13 BEST & FAIREST

Andrew's career at Richmond Junior Football Club commenced in 1990 in the Under 10 team, and has worked his way to the 13's playing 89 games along the way. His season this year has been his best by far, as a ruckman he gave away height to most but his fierce desire at the ball saw him the victor on numerous occasions. His skill level is very much improved and he also is a very deserving winner of the Best & Fairest for 1996.

SECRETARY'S REPORT

Season 1996 gave 70 children the chance to play football and a further 52 children in the Auskick program. The Under 10 team struggled to win games, but the improvement shown from season start until the end of the year was astronomical and with so many young players next season does look promising.

The Under 11 team once again proved to be our most successful on the field and to play in the Grand Final was a terrific effort by all and as we know to be beaten on the last kick of the day is not the ideal way to lose but everyone connected with the club is very proud of the way that the players went about the game and the way that the defeat was taken. I'm sure that if the nucleus of this team stay together success will surely follow in the future. The Under 13 team who like the under 10 team struggled to win games also put in some fine performances, but consistency seemed to be the major problem, a little hard work off the track is required and the positive results will not be to far away.

Congratulations to all players, parents and supporters for season 1996. To the coaching staff of all grades and their assistants again a job well done. To the committee on another successful year of hard work and once again positive results, I thank you for the support given in every aspect of running the club. I would personally like to thank everyone that helped out in any way throughout the season and hope that you enjoyed the part you have played in our season.

To the canteen staff Milton, Dimi, Sue, and all their helpers, once again a fantastic job and much appreciated on behalf of all.

My last thank you and major reason the club is going through a successful period at the moment is to our magnificent group of sponsors and donors who do really keep the club in good shape.

We now look forward to next season and hope that you will once again be part of the tiger machine.

Regards
