### SECRETARY'S REPORT

Season 1997 gave 82 children the chance to play football and a further 46 children in the Auskick program.

This year for the first time ever we decided when increased numbers at under 10 level to have a "Tackers" team for the younger members of the club. This team were competitive in this division and had a number of good wins along the way, and a bright future is looked on for many of these players.

The Under 10 team although not very successful on the scoreboard showed vast improvement toward the end of the season and they too may be ready to challenge the better teams next year.

The Under 12 teams season also was a shade disappointing as they have been finalists for the last two years, but injuries and unavailability also played a part in the less successful year.

The Under 14 team who were the chopping block last season had a very much improved year, winning more games than the previous 2 years.

Congratulations to all players, parents and supporters for season 1997. To the coaching staff of all grades and their assistants again a job well done. To the committee on another good year of hard work congratulations and to our generous bunch of donors and sponsors a special congratulations and thank you.

To the canteen staff and their helpers once again a fantastic job well done. Also in general anyone who helped out the club in any way thanks for your support in season 1997 a special thank you.

The club now looks forward to season 1998 and hope you do also.

Regards,

## PRESIDENTS REPORT

Season 1997 once again was a little dissappointing on the field with no teams making the finals. To all the players we say thank you for your efforts throughout the year, and to those parents who support their kids also congratulations on the part you are playing in their sporting careers.

To all our sponsors and donors a special thank you for your support and as I have stated before it does go a long way to keeping the club run smoothly.

To the committee and many workers around the club congratulations on another fine season and we now look forward to season 1998.

TERRY SHAW.

## UNDER 14 COACHES REPORT

This team last year suffered some very big defeats, and to their credit most of the players stuck at it for another season with a lot better results in a number of games. We proved in most home games that we could match it with the best in the competition but struggled when we had to travel for some unknown reason. Training throughout this season was of a good standard and I'm sure with more hard work in the future this team could develop into a formidable combination. I'd like to thank Hayley, John, Milton, Steve, Benn and all those who helped with the Under 14 team this year.

## **UNDER 12 COACHES REPORT**

The Under 12 season was a shade disappointing considering the high standards set by this team in the previous 2 years, but an overall improvement in this division by all clubs saw a number of games produce very close results and any side could have made the finals with a little luck. I would like to thank the players for their efforts throughout the season and to the support staff, Povhy, Elice, Kunal and the others that helped with the running of the team including parents and supporters thanks for your time and efforts. If the nucleus of this team remain together I'm sure that success will not be far away and I wish them well in their footballing futures.

## TACKERS COACHES REPORT.

This season was our first in the clubs history of having a tackers team and to say it has been successful would be an understatement, as this young team showed great endeavour and improvement throughout the year. To be competitive in so many games was a great effort for a team so young and full credit must go to the boys for their fantastic spirit shown throughout the year. The Richmond Junior Football Club hopes you all enjoyed season 1997 and will return to the club next year. To all the players thank you, and to the parents who gave support also thank you. Thanks to Danny, Alex and all those who helped in an official capacity, and we look forward to next year with great expectations.

## UNDER 10 COACHES REPORT

The Under 10 team as the season went on improved in leaps and bounds to develop into a very competitive team at the end of the year. With so many new players early in the season we suffered some heavy defeats but at no stage did the players stop trying as hard as they could. In the first 7 games of the season the opposition kicked 70 or more points against us but after round 8 only twice did the opposition score above 70 points which is a very good effort on the players part and does show that they improved immensely. Training during 1997 was excellent and I'm sure that with general improvement we will have many good players come from this team, providing you keep going along how you did this season. Thanks to Ray Darcy, Trinity, Peter Moerth and everyone that assisted with the running of the team this year and good luck in your future footballing careers.
