SECRETARY'S REPORT

Season 1998 gave 98 children the chance to play football and a further 34 children in the Auskick program.

This season which was only the second for our Tackers team proved to outway all our expectations with them going through the season undefeated and a bright future is looked on for many of these players.

The Under 11 team although not very successful on the scoreboard once again showed fantastic endeavour and this young side can be very proud of their 1998 achievements.

The Under 13 team at the end of the year finished 2 games clear on top of the ladder and continued on in great fashion for terrific performances in the 2nd Semi and Grand Final and were very deserving of their premiership win. Congratulations to Phil, Craig and Trinity for their part and to all the players well done.

The Under 15 team struggled a little this season but were competitive in most games and their efforts were rewarded with a few very good wins against some good sides. I'm sure that if these players continue on playing with the same commitment, rewards will come in the future.

Congratulations to all players, parents and supporters for season 1998. To the coaching staff of all grades and their assistants again a job well done. To the committee on another good year of hard work congratulations and to our generous bunch of donors and sponsors especially the Nth Richmond Club, Burnley Golf congratulations and thank you. To the canteen staff and their helpers once again a fantastic job well done. Also in general anyone who helped out the club in any way thanks for your support in season 1998.

The club now looks forward to season 1999 and hope you do also.

Regards,

UNDER 15 COACHES REPORT

This team once again showed some very good results throughout the season, but consistency seemed to be the major problem. This group what they lack in ability more than make up in endeavour and in a lot of games this nearly got them over the line. I would like to congratulate all the players for their efforts in season 1998 and wish them all the best in the future. I'd like to thank Hayley, John, Milton, Steve, and Rodney for their contribution this season and all those who supported the team.

UNDER 13 COACHES REPORT

The 1998 season proved to be one of the most enjoyable and successful that I have been associated with at Richmond Junior Football Club. As most would know by now this talented group of kids did finally put the last 2 seasons disappointing performances behind them and showed the quality type of football they are capable of not only during the finals but throughout the season. The build up to the finals was fantastic and I would like to thank all those Under 11 players that helped at training during these times. To the players I salute you on your efforts this year and thank you for making my job an enjoyable experience. To all those that supported the team in 1998 and all those who came to support in the finals a special thank you. Last but by no means least to Criag, Trinity, and all those parents and friends who helped run the team congratulations on a great job.

UNDER 11 COACHES REPORT

The Under 11 team in 1998 proved a difficult season for this very young team but at no stage did the players stop trying as hard as they could. On some occasions they were outgunned by bigger and better teams but in most games were very competitive and had a few wins along the way. I'm sure that as seasons go on most of these players will develop into fine footballers in their age group. I would like to personally thank ALL the under 11 players for your efforts during the season not only in matches but also at training and I wish you all the best for your futures. Also to Brooksy, Dominic, Peter, Moppy and everyone that assisted with the running of the team congratulations on a job well done and keep supporting your kids.

TACKERS COACHES REPORT.

This season was only the clubs 2nd of having a tackers team and after last season we thought that this year would be good, but the results were sensational. To play and win all games was a fantastic effort by the players, and the improvement shown throughout the year was remarkable and now this team can now look forward to some very good results in the coming seasons. A special thank you to Danny, Alex, Richard and Poly for their assistance in the running of the team and to all the parents and the supporters for the part that they played in a very successful season.
