SECRETARY'S REPORT

Season 1998 gave 96 children the chance to play football and a further 22 children in the Auskick program.

This season our Tackers team was a young and inexperienced group with most playing their first year of competition football and the improvement throughout the year was very noticeable and a bright future is looked on for many of these players.

The Under 10 team for most of the season were in magnificent form and although not at their top during the final series still managed to be runners up, and as a young side they can be very proud of their 1999 achievements. Several of this team are eligible to play under 10 again next year.

The Under 12 team at the end of last year finished well down the ladder. The magnificent turn around by this team was due to hard work at training and top efforts during games. From 9th to 3rd is a terrific effort and the players should be congratulated on a job well done. Congratulations to Ray, Peter, and their helpers on a great season.

The Under 14 team struggled a little this season after a magic season last year, but were competitive in most games and just missed key players at various times when games could have been won and this proved the difference in them having another successful year.

Congratulations to all players, parents and supporters for season 1999. To the coaching staff of all grades and their assistants again a job well done. Thanks to our generous bunch of donors and sponsors especially the Nth Richmond Club and Burnley Golf Course we say a special thank you. To the canteen staff and their helpers once again a fantastic job well done. Also in general anyone who helped out the club in any way thanks for your support in season 1999.

The club now looks forward to season 2000 and hope you do also.

Regards,

UNDER 14 COACHES REPORT

After last years fantastic season this one was always going to be difficult, because of the rise in grade and it proved to be just that, although most of the games we lost the difference in the two teams was minimal. The efforts during this season were very good and I cannot see this team being unsuccessful for too long. Thank you to Craig & Trinity and all those that helped with the Under 14 team this year.

I wish all the players the best for their futures and hopefully we will see many quality players develop from this group.

UNDER 12 COACHES REPORT

For the Under 12's season 99 has been especially satisfying. After limited success in previous seasons, the boys are finally beginning to reap the reward of hard work at training and the benefit of having three seasons together as a team. Consistent performances all year enabled us to experience our first taste of finals football and although we didn't achieve the success we may have hoped for, the fact that we did compete at that level was for me the most rewarding experience so far in my short involvement at R.J.F.C. Congratulations to all award winners and to Steve & Kyle for their efforts in the Y.J.F.L. awards. Lastly a special thanks to my support staff Peter, Moppy, Trevor & Sue Andrews and all the parents and friends who gave the team so much encouragement throughout the year. Thanks again to the boys and I hope to see you back again next year after a well earned break.

Ray Darcy

TACKERS COACHES REPORT

This season the tackers team was a very inexperienced group of youngsters playing their first season of football. To play well and improve in all parts of the game was a good effort by all the players, and the improvement shown throughout the year was very good and now these players can now look forward to the coming seasons. This is my 15th consecutive year of coaching and has been one of the most enjoyable seasons. I wish to thank the players especially and a special thank you to Kristopher, Alex, Milton, and Poly for their assistance in the running of the team and to all the parents and the supporters for the part that they played.

UNDER 10 COACHES REPORT

The 1999 season for the Under 10 team proved a shade disappointing in the end, but was a magnificent effort by a young group of players who gave their utmost every week. To make a grand final is a great effort and the players should be congratulated for this. I wish to thank all the players for the outstanding support during 1999. Special thanks to my support staff especially Hayley Rudland (Best Team Manager in the business), Michael Brook, Danny Ward, James O'Dea, Dom Mascitti, Richard Kirim and all those that helped and supported the team this year.
