

Child Safety Policy

1. Purpose

This policy demonstrates the commitment of committee members, officials, and volunteers of the Richmond Junior Football Club (RJFC) to child safety, and provides an outline of the policies and practices that RJFC has developed to keep children involved with our club safe from any form of abuse or neglect.

2. Policy Statement

Commitment to Child Safety

All children who are a part of RJFC have a right to feel and be safe. The welfare of the children in our care will always be our first priority and RJFC has a zero tolerance to child abuse and neglect. RJFC strives to create a child safe and child friendly environment where children feel safe, are safe, are included and have fun.

3. Implementation

Application of Policy

This policy was developed by the RJFC Club Committee with reference to Victorian Government Child Safe Standards, and other related laws and policies and standards. The policy recognises the needs of all children to be safe. This policy applies to all individuals involved in our club including, but not limited to:

- Committee Members
- Coaches
- Volunteers
- Players
- Parents/Carers
- Spectators
- Service providers

RJFC's Child Safe Policy is communicated to volunteers and families via email and our website.

Child Abuse

Child abuse can take a broad range of forms including physical, sexual, emotional or psychological abuse, and neglect. People to whom this policy applies need to be aware that child abuse can occur whenever there is actual or potential harm to a child, and these are circumstances that RJFC is committed to reducing the risk of.

Children's Rights to Safety and Participation

RJFC encourages children to express any concerns about their safety to a parent, carer, Team Manager, Coach, or the Club Child Safety Officer. The RJFC website provides contact details for the Child Safety Officer.

RJFC listens to and acts on any concerns children, or their parents/carers, raise with us. Reporting requirements and guidelines (as set out in the RJFC Child Safety Reporting Procedure) are adhered to by all Committee Members and volunteers. Matters are managed sensitively while respecting the privacy and obligations of all parties concerned.

RJFC takes seriously our responsibility to deliver a sporting environment that is caring, nurturing and safe. We promote equity, respect and safety by:

- actively anticipating children's diverse circumstances and responding effectively to those with additional vulnerabilities
- by giving all children access to information, support and complaints processes, and
- paying attention to the needs of Aboriginal and Torres Strait Islander children, children with a disability and children from culturally and linguistically diverse backgrounds.

Roles and Responsibilities

It is the responsibility of all at RJFC, from the Committee to volunteers and families, to:

- protect children and young people from all forms of abuse, bullying and exploitation by our people;
- be alert to incidents of child abuse and neglect occurring outside of our sport that may have an impact on the children and young people; and
- create and maintain a child safe culture that is understood, endorsed and put into action by all the individuals who work for, volunteer or access our programs and services.

We expect all within our sport, regardless of their role or level of responsibility, to act to keep children safe from such harm by:

- adopting the practices and behaviour we have set as our standard when carrying out their roles, and reporting any abuse or neglect of which they become aware to the Child Safety Officer and/or to external authorities responsible for child protection or to police, regardless of who the abuse is being perpetrated by - staff and volunteers within our sport, or by those outside our sport including those from the child's family, extended family, their family's extended network or strangers.

Supervision of children

RJFC is committed to ensuring adequate levels of supervision are applied to maintain effective standards of child safety during all RJFC managed training sessions and games. Responsibility for child safety extends to the critical role played by parents / carers in making arrangements with children in their care for travelling to and from RJFC events, including games and training. It is up to parents/carers to ensure that they make arrangements consistent with the independence and ability of the child in their care. It is recommended that children under 10 years of age are dropped off and picked up and that a parent/carer is present during events, games or training where the parent/carer considers this level of support is appropriate for the child. Where a child under the age of 12 is catching public transport or walking, RJFC assumes this to be with parental permission and supervision is not required.

Supporting and screening volunteers

RJFC provides support to all volunteers so people feel valued, respected and fairly treated via training, briefings and communications.

Coaches and Team Managers monitor and manage behaviour of players, parents, spectators, and volunteers. Breaches of the Child Safety Policy are reported to the Child Safety Officer who will act according to Club, League, and legislative processes.

RJFC will give equal consideration to all parties interested in volunteering for roles within the Club, and will not show bias or discrimination on the grounds of gender, race, age, disability, sexual orientation, religion or any other characteristic.

RJFC requires all Committee members, ground managers, coaches, assistant coaches, runners, trainers and team managers to have a valid, current Working with Children Check (WWCC). WWCCs must be uploaded and monitored via Everproof.

Reporting a Child Safety Concern or Complaint

RJFC has appointed a Child Safety Officer. This person will respond to any concerns expressed by volunteers, parents, carers or children regarding known or suspected abuse of a child connected with the Club. The Child Safety Officer contact details can be found on the RJFC website.

The Child Safety Officer will:

- Provide support to the child, parent/carer, person who made the report.
- Clarify the nature of the complaint, and refer in accordance with legal requirements and duty of care, to police or Child Protection.
- Initiate processes to ensure the safety of the child, and other children.
- If necessary, make the report as soon as possible, or support the complainant in making the report as soon as possible.
- Appoint an RJFC Committee member or other appropriate person to provide support to the accused if they are a club volunteer or Committee member.

- Work with the appropriate Committee members, and/or league officials regarding behaviour and/or disciplinary action, if not found to be a Child Protection or police matter.
- Review club policies and practices to minimise risk of future similar events/behaviour.

In the event of a child safety report being made against an RJFC volunteer, where the complaint is credible and of a serious nature, the volunteer will be stood down from involvement in the club until the complaint is investigated and the outcome determined.

Refer to Child Safety Reporting Procedure for further detail

Risk Management

We proactively manage risks to our children. This includes ensuring those recruited as Committee Members or volunteers are done so in accordance with this policy, addressing child safety regularly at RJFC Committee meetings and ensuring all RJFC volunteers sign the Code of Conduct, which is available on the RJFC website.

In addition, a risk assessment for child safety will be conducted and reviewed on an annual basis by the RJFC Committee. This will aim to identify any child safety risks, identify, implement and monitor controls.

Our Child Safe Policy is communicated to all volunteers and staff via our website, and direct communications.

4. Evaluation & Review

This policy will be reviewed annually, prior to the commencement of each season, or as required by changes in legislation.
