RICHMOND JUNIOR FOOTBALL CLUB

Welcome to the first 2013 edition
of The Tiger Times!

WELCOME

The RJFC has a long, proud position as part of the Richmond community. It's our aim to capture that history and spirit regularly in The Tiger Times as our fantastic players take to the field during the season.

Don't expect to see a lot about wins and losses in this classy publication...that's what the YJFL website is for. These hallowed pages are about learning more about what has happened around the club, or what is being planned, and the occasional piece of fun when Les isn't looking!

The 2013 season is now eight rounds in and our young tigers have hit the ground running with some sensational performances both at home and away... well done to all our players.

Since last season came to another successful close, in the months that are commonly known as "the boring ones filling in the break between footy seasons", the old Tiger has seen a lot of activity in and around Citizens Park.

- The launch of summer skills training via the Tom Roach Squad.
- The fielding of 2 Tacker teams for the first time in the history of the Club.
- Record registration levels for Auskick.
- The arrival of "clash jumpers", made possible by a number of people making amazing contributions during the YJFL finals season last year.
- The acquisition of a defibrillator machine, in conjunction with the RUCC and the Richmond Harriers, which is now housed in the clubhouse.

- The investment into new training equipment such as the agility poles, additional balls and the rucking / marking bag.

Plus, rumour has it, that in the coming month we will also see the release of an updated website.

We also want to take the time to wish all the best to those past players in the U/14 and U/15 age groups, where our numbers were not large enough to continue to field a team. We truly hope you have found a great place to continue your football journey.

No club survives without some very important off-field supporters. In this and future editions, we'll highlight a small number of our volunteers from the canteen, to team managers, time keepers, coaches, umpires, trainers and orange cutters!

The RJFC also has a strong group of supporters from the Richmond community. We will highlight these fantastic individuals and organisations each edition and trust that you support and say "thank you" to them.

That's all from the Old Tiger...enjoy the Tiger Times...enjoy your football... and always remember...Go Tigers!

YJFL Recognises two club legends

Alright...we already knew they were legends, but finally the YJFL realised it also at their 2012 AGM, long time RJFC heros Jeff Rudland and Les Quarrell were awarded life membership of the YJFL.

Well done boys.

The Club would be lost without your ongoing contributions.

YJFL Codes of conduct

AFL clubs often refer to their trademark behaviours.

The YJFL similarly has expectation on behaviour for both players and parents.

We encourage all families to take the time to read and discuss these with your son or daughter to ensure RJFC continues to be a club that upholds the highest of standards.

Players code of conduct

- Play by the rules.
- Don't argue.
- Control your temper.
- Be a team player.
- Be a good sport.
- Treat all players fairly.
- Co-operate with your coach and team mates.
- Play for fun and improvement.
- Avoid ugly remarks based on race or gender

Parents code of conduct

- Encourage participation, don't force.
- Teach that effort is the victory, not the winning.
- Encourage play by the rules.
- Never ridicule mistakes or losses.
- Remember, it's about their enjoyment, not yours.
- Remember, they learn by example. Applaud both teams.
- Recognize the contribution of volunteers.
- Never publically disagree with officials. Raise issues privately.
- Support efforts to remove verbal, racial and physical abuse.
- Support club officials to foster high standards of behavior.
